Working with Blocks in Moodle

This refers to Moodle 2.7 from July 2015 onward

This page covers managing, adding, moving and using blocks in the left and right columns of the Moodle page.

- Block settings explained
- How do I add a reading list to my module?
- How to add a block
- How to add a custom block (e.g., Favourites or Bookmarks) to your 'Dashboard' or module page
- How to close and dock blocks
- How to give a user higher level access to a particular activity or block
- How to move or customise the location of blocks
- List of Moodle Blocks
