Your Moodle profile and Dashboard

When you log in to Moodle the first page you see is your Dashboard. This has two columns. The larger, left column contains the important content - in this case a list of modules.

Relevant to Moodle 3.4 from September 2018 onwards

- How can I change the order of the modules on my Dashboard?
- How to add a custom block (e.g., Favourites or Bookmarks) to your ‘Dashboard’ or module page
- How to change whether I get emails from a forum
- How to navigate to modules NOT in your Module Overview
- How to upload a picture to your Moodle profile
- How to use the instant message system in Moodle
- I’d like to change the number of emails Moodle sends me
- Page and Label editing toolbar icons explained
- Your profile settings explained
