Mahara Help

You can access Mahara at http://mahara.nottingham.ac.uk/
Just use your standard UoN credentials to log-on.

About Mahara

Mahara's core functionality can be divided into 3 main areas.

- Workspace
- Showcase
- Networking

Or as Mahara puts it, Mahara can help you to

- Organise your learning
- Showcase your skills and achievements
- Connect with others on your course

Help with Mahara

There are plenty of guides available on Mahara by enrolling onto the Mahara Help and Guidance page on Moodle. This is a self-enrol module with guides available for both staff and students on how to get the most out of Mahara and all of it's features.

Mahara Training - coming soon

In readiness for the 23-24 academic year, two Mahara training sessions are being launched. One session will focus on how to use Mahara for ePortfolios and the other session will focus on using Mahara's assessment tools. Dates and further details will be available soon. Please keep an eye on this page for more details.

More help

Mahara's 'official' current online user manual is also available.
