Enrolment & management of participants (staff and students)

This refers to Moodle 3.11 from August 2022 onwards

These help documents relate to enrolling fellow staff members and students in your Moodle space.

- How to allow students to self-enrol on a module and into a given group
- How to change the role of someone enrolled on your module
- How to create a forum for groups
- How to create a metalink to enrol students from another module
- How to enrol a fellow staff member manually on your module
- How to ensure students cannot continue to self enrol
- How to give a user higher level access to a particular activity or block
- How to set up self-enrolment on your module
- How to understand metamodules (parent modules) - if you teach modules with the same content

More on managing staff and students in your module
