Marker allocation in a Turnitin assignment.

Moodle Help & Support (Staff)

This refers to Moodle 3.11 from August 2022 onwards

Set up groups in Moodle and markers can filter by their group.

First set up the groups for the markers in Moodle, adding the students for the marker to mark to each group.

Ensure that the Turnitin assignment is using the groups.

In the Turnitin assignment, a list of groups will appear for markers to choose from.

By choosing their group from the drop-down list, markers will only see the submissions that have been allocated to them:
