The new [MA Community Page \(including PGT Handbook\)](#) is now on Moodle

## 2016-17 Session

The University have introduced new Student Services Centres. The School office is now closed, but you can visit the Cherry Tree Lodge Centre for advice, or the website: <https://www.nottingham.ac.uk/studentservices/index.aspx>

Producing Assessed Coursework has been updated to reflect changes to Student Services.

The University has implemented a standard submission deadline time for all coursework across all Schools. **The new deadline is 3:00pm.**

## 2015-16 Session

The School submission deadline for all coursework has been changed to **2.00 pm**.

The School's procedures for applying for **Extenuating Circumstances (ECs) and Extensions** have changed for 2015/16 onwards.

**Producing Assessed Coursework** has been updated to include further details on Marking Criteria and the School ECs procedures.

## 2014-15 Session

**Producing Assessed Coursework** has been amended to specify that the MHRA system of referencing should be used for creative writing modules.

## 2013-14 Session

**The School's revised word count and leeway policy.** This is being introduced in Spring 2014 for current first years. In Autumn 2014 it will be in place for first and second years and for PGT students.

University Extenuating Circumstances Policy and related policies and procedures. Workspace pages for students have been updated with changes to the policy but the full policy is available from the [Quality Manual](#).

University regulations on Academic Misconduct (including plagiarism). Workspace pages for students have been updated with changes to the policy but the full policy is available from the [Quality Manual](#).
