

How to add a Video Assignment

This is relevant to Moodle 3.4 from September 2018 onwards

Moodle Help & Support

We no longer recommend the Media Assignment for students submitting video, as there have been a number of issues.

To set up an Assignment Dropbox for students to submit video (or audio), use the Moodle Assignment.

Settings for Moodle Assignment

Set up a Moodle Assignment as normal, ensuring that the following settings are used:

Under **Submission types**

Submission types to include Online text AND File submissions

If you would like students to be able to submit more than one additional document e.g., scripts or plans, etc. then adjust the Maximum number of uploaded files accordingly.

Submission types

Submission types

Online text  File submissions 

Word limit

 Enable

Maximum number of uploaded files

Maximum submission size

Accepted file types

No selection

Student submission

Students will upload video in the Online Text section

They should click on the MediaSpace button in the Online text box.

Further instructions for students on how to submit are available here:
