

# How to transfer questions for quizzes between Moodle modules

## Moodle Help & Support

This refers to Moodle 3.6 from July 2019 onward

## How to: transfer questions for quizzes between Moodle modules

### Exporting the questions from a module

1. Go into the module with the questions you want to export.
2. Drop down the Cogwheel **Edit** menu

3. Click on **More...**
4. **Scroll down to Question bank > Export**

Question bank

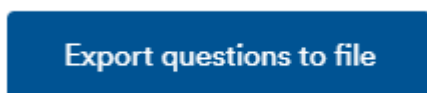

Questions  
Categories  
Import  
Export

5. Select the **Moodle XML format**

▼ File format

Gift format ?  
 Moodle XML format ?  
 XHTML format ?

6. Click on the **Export questions to file** button

7. Your export file should start to download. If it doesn't, click as indicated on the download page to download the file.
8. Save the file to a folder on your hard drive (it may go into Downloads by default)

### Importing the questions into another module

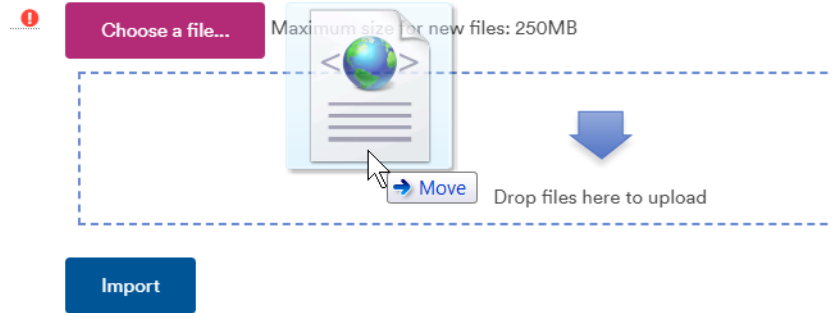

1. Go into the module in Moodle into which you want the questions added.
2. Drop down the Cogwheel **Edit** menu

3. Click on **More...**
4. **Scroll down to Question bank > Import**
5. Select the **Moodle XML format**.
6. EITHER:
  - Drag and drop the Question bank file you just downloaded into the box

## ▼ Import questions from file

Import

OR
