Echo360 Engage and Moodle - Instructions for non-Campus modules

Moodle Help & Support

Non-SATURN modules

Non-SATURN modules are not automatically linked to the Echo360 Engage system so please email the following information to engage@nottingham.ac.uk so that the Echo360 Engage module can be set up for you:

**Module short name**

**Course/Module Name**

A list of tutors on each course including

Username:  
First name:  
Surname:  
e-mail address:

When you receive a confirmation that they have added the module to the Echo360 Engage system, you can start recording.

To find the **Module short name:**

Log on to your Moodle course and locate the **Module short name**

- Log in to Moodle
- From Navigation select the Module you wish to use
- Go to Administration and click Edit Settings
• From the Edit Module Settings screen copy the **Module short name**. You will need to click and drag across the text to fully select it.
