

# How to delete a single Turnitin submission to enable submission

## Moodle Help & Support (Staff)

This refers to Moodle 3.6 from July 2019 onward.

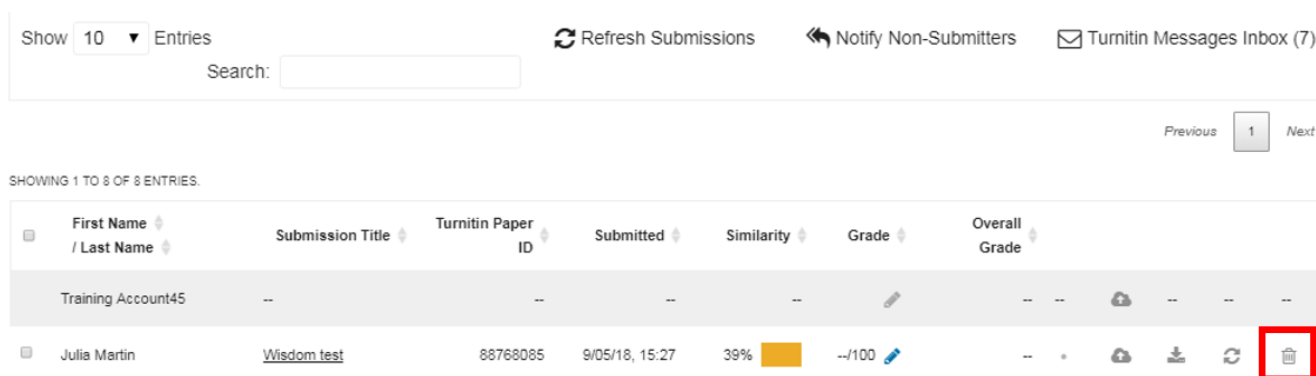

By deleting students' submissions from your Turnitin dropbox, they will be able to resubmit, as long as it is before the due date or late submissions are enabled. This is useful to know if you have set the drop-box to only allow a single submission, as this method does not require you to change the settings of the drop-box.

**Students themselves can replace submissions if resubmission is allowed - usually only up to the deadline.**

**It is not possible for students themselves to delete or replace submissions once the deadline has passed, or if the drop-box has been set up by the School not to allow resubmission.**

## Deleting a single assignment submission

1. Go into your module and click on the title of the Turnitin drop-box
2. In the list of submitted assignments find the row for the student. You can use the Search to find it.
3. On the row for the student with the assignment to be deleted, click on the **Delete Submission** icon (looks like a dustbin)
4. You will then be asked to confirm the deletion: click **OK**.

The screenshot shows the Moodle Turnitin submission interface. At the top, there are controls for 'Show 10 Entries', a search box, and buttons for 'Refresh Submissions', 'Notify Non-Submitters', and 'Turnitin Messages Inbox (7)'. Below this, a table displays submission details. The table has columns for 'First Name / Last Name', 'Submission Title', 'Turnitin Paper ID', 'Submitted', 'Similarity', 'Grade', and 'Overall Grade'. Two rows are visible: 'Training Account45' and 'Julia Martin'. The 'Julia Martin' row shows a submission titled 'Wisdom test' with a similarity of 39% and a grade of --/100. A red box highlights the delete icon (a trash bin) in the bottom right corner of the 'Julia Martin' row.

First Name / Last Name	Submission Title	Turnitin Paper ID	Submitted	Similarity	Grade	Overall Grade
Training Account45	--	--	--	--	--	--
Julia Martin	<a href="#">Wisdom test</a>	88768085	9/05/18, 15:27	39%	--/100	--

The student can then resubmit PROVIDING it is still before the due date OR resubmissions are allowed. Note that the submission will bear the second date which may be marked as late: School processes should discount this if the student has permission for late submission.
