## Moodle Help & Support

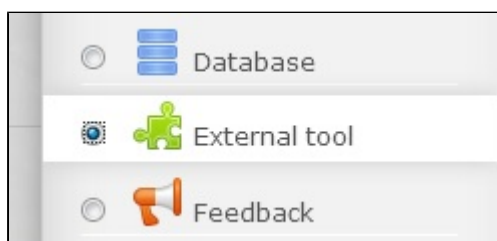

This refers to Moodle 3.2 from September 2017 onward

## How to: add a Rogo Self Assessment Paper

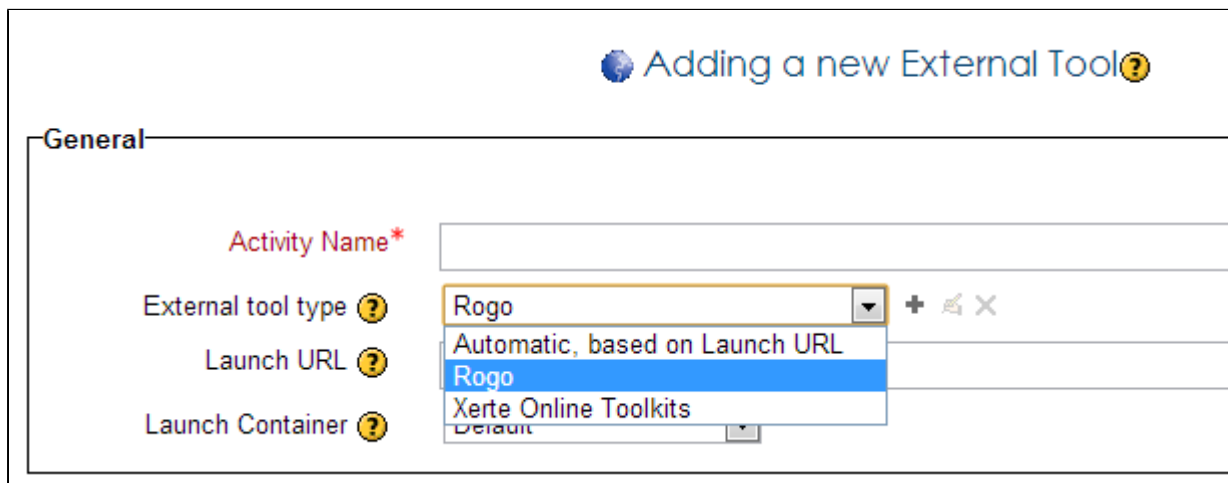

You can use the External Tool activity to add a Rogo self assessment link in Moodle. The Rogo assessment once started will run in a new window.

### Adding the Rogo Self Assessment Paper to your module

- Click on the **Turn editing on** button (top right)
- In the section/topic in which you would like to add the Rogo Self Assessment paper, click on the **+ Add an activity or resource** hyperlink
- Select the **External Tool** and click on the **Add** button

- Complete the **Activity name** field with the text that you want to appear on the Moodle page
- Select Rogo from the **External tool type** field

A screenshot of the Moodle 'Adding a new External Tool' form. The title is 'Adding a new External Tool' with a question mark icon. The 'General' section is expanded, showing four fields: 'Activity Name\*' (empty text input), 'External tool type?' (dropdown menu with 'Rogo' selected and a list of options: 'Automatic, based on Launch URL', 'Rogo', 'Xerte Online Toolkits', 'Default'), 'Launch URL?' (empty text input), and 'Launch Container?' (dropdown menu with 'Default' selected). There are plus, minus, and close icons to the right of the dropdown menus.

- Leave the setting for the **Launch container** field as Default

**General**

Activity Name\*

External tool type      

Launch URL 

Launch Container   

**Privacy**

  Share launcher's name with the tool

*Note: The 'Launch Container' dropdown menu is open, showing the following options: Default (highlighted), Embed, Embed, without blocks, and New window.*

- Once you have finished setting the fields above click on the **Save and display** button.

**Note:** Settings in the Privacy section do not need to be amended. Rogo grades will appear in the Moodle Grade book. The synchronisation, however, is not instantaneous, so set up papers well in advance.

### Selecting the Rogo Paper

- You will be shown a list of papers that are available in Rogo for the current module. These can be the Formative self assessments or Progress Tests

**Select Paper for Link**

Papers on this module

Opens the paper. This is useful for checking that the paper is correct. However it has already been added to your module at this stage.

The screenshot shows a web interface for a quiz titled 'Dichotomous' (Rog5 4.3). The breadcrumb trail is 'My home ► Modules ► Example (UK) (12-13) ► Topic 8 ► General Quiz'. The quiz details include: Availability from 28/11/2010 00:00 to 01/12/2010 00:00, Candidates (unspecified), Screens 1, Marks 24, and Current User Miss Bodart. The navigation is set to 'Bidirectional'. There are two buttons: 'Help' and 'Start >>'. A callout box points to the 'Start >>' button, stating it opens the paper for checking but is not available at this stage. Another callout box points to the 'Start >>' button, stating it takes the user to Rogo help pages. A warning message below the buttons says 'Paper not available to students at this time' with a yellow warning icon. At the bottom, it says '(You have not yet taken this paper.)'.
