Forums

- Magic with Moodle 10 - Using forums to answer student questions
- How to create a forum for groups — A forum can be created very simply but you can also create a forum in which particular groups of students can work together
- How can I see when new items are added to a forum in my module?
- I’d like to change the number of emails Moodle sends me
- How to add a forum — How to add a forum or discussion board to your module
- How to change whether I get emails from a forum — This page will show you how to subscribe or unsubscribe from forums on Moodle.
- Magic with Moodle 12 - Using forums with groups
