Echo360 Engage and Moodle - Instructions for non-Campus modules

Moodle Help & Support

Non-SATURN modules

Non-SATURN modules are not automatically linked to the Echo360 Engage system so please email the following information to engage@nottingham.ac.uk so that the Echo360 Engage module can be set up for you:

Module short name
Course/Module Name
A list of tutors on each course including
Username:  
First name:  
Surname:  
email address:

When you receive a confirmation that they have added the module to the Echo360 Engage system, you can start recording.

To find the Module short name:

Log on to your Moodle course and locate the Module short name

- Log in to Moodle
- From Navigation select the Module you wish to use
- Go to Administration and click Edit Settings
• From the Edit Module Settings screen copy the Module short name. You will need to click and drag across the text to fully select it.
