Digital Learning (Virtual) Drop in Sessions

The face-to-face drop in sessions have been replaced with virtual sessions run through Teams. In parallel, we are increasing the hours of support available. Ad hoc support is now available daily between 9.00 am and 4.30 pm.

Social Sciences and Arts (and others) 9 - 4.30 daily

To access the support you need to click on this link [http://shorturl.at/kpD69](http://shorturl.at/kpD69) which will take you to the Drop In Teams site. When you get to the site, click on the READ THIS FIRST tab at the top of the Teams webpage for instructions about how to join the drop in, or pop your question in the ASK FOR HELP channel. Don’t forget to check back for your answer.

Learning Technology Team blog

New: July 2019

- Moodle 3.6: New [Module overview explained](https://mediaspace.nottingham.ac.uk/media/1_iaz6zuyv)
- Moodle 3.6: How to add a module overview image

Summer 2019: We are updating the Help pages to work with Moodle 3.6. Most should be more or less accurate (apart from screenshots). Please let us know if you find one that’s completely wrong.

Moodle is the University of Nottingham's online learning environment. This website offers help and support to staff using it. You can also browse the [Most recently added/updated pages](https://mediaspace.nottingham.ac.uk/media/1_iaz6zuyv).

If your question is not answered then please contact the Moodle support team: Learning-Technologies@nottingham.ac.uk

For Moodle Help for Students please click here

Our site is divided into themes and documents. Themes are groups of documents on a specific topic such as assessment or module planning (see to the left or at the bottom of this page). Documents are individual help pages on a specific feature or tool of Moodle.

Alternatively use the Workspace Search to search for Moodle and your search term, e.g., the name of the Moodle resource or activity.
