How do I print from Moodle?

This refers to Moodle 3.8 from September 2020 onwards

Most pages in Moodle will print as successfully as any other web page, and usually you can print content without the surrounding Blocks.

In Internet Explorer

1. Click the ‘Settings and more’ icon at the top right of the page (or press Ctrl+P and jump to step 3.)

2. Select Print from the drop down menu to open the ‘Print Preview’ screen.
3. Review your print options and then click on the ‘Print’ button to print.

In Firefox

1. Click the ‘Menu’ icon at the top right of the page.

2. Select Print from the drop down menu to open the ‘Print Preview’ screen.
3. Review your print options and then click on the ‘Print’ button to print.

In Chrome

1. Click the ‘Customise and control Google Chrome’ icon at the top right of the page (or press Ctrl+P (Mac: -P) and jump to step 3.)

2. Select Print from the drop down menu to open the ‘Print Preview’ screen.
3. Review your print options and then click on the ‘Print’ button to print.
