Forums

Creating forums

- How to add a forum — How to add a forum or discussion board to your module

Using forums

- How do I set up areas for student collaboration in Moodle? — Lots of information on how to set up activities which students can use to collaborate with one another
- How to use a Forum for blogs or learning journals — This is a guide to the Moodle 'Blogs' feature, which allows anyone to create text posts featuring comment, opinion, instruction, or anything you wish to write as a blog.
